

NemoScan

A BIOTECH DENTAL BRAND

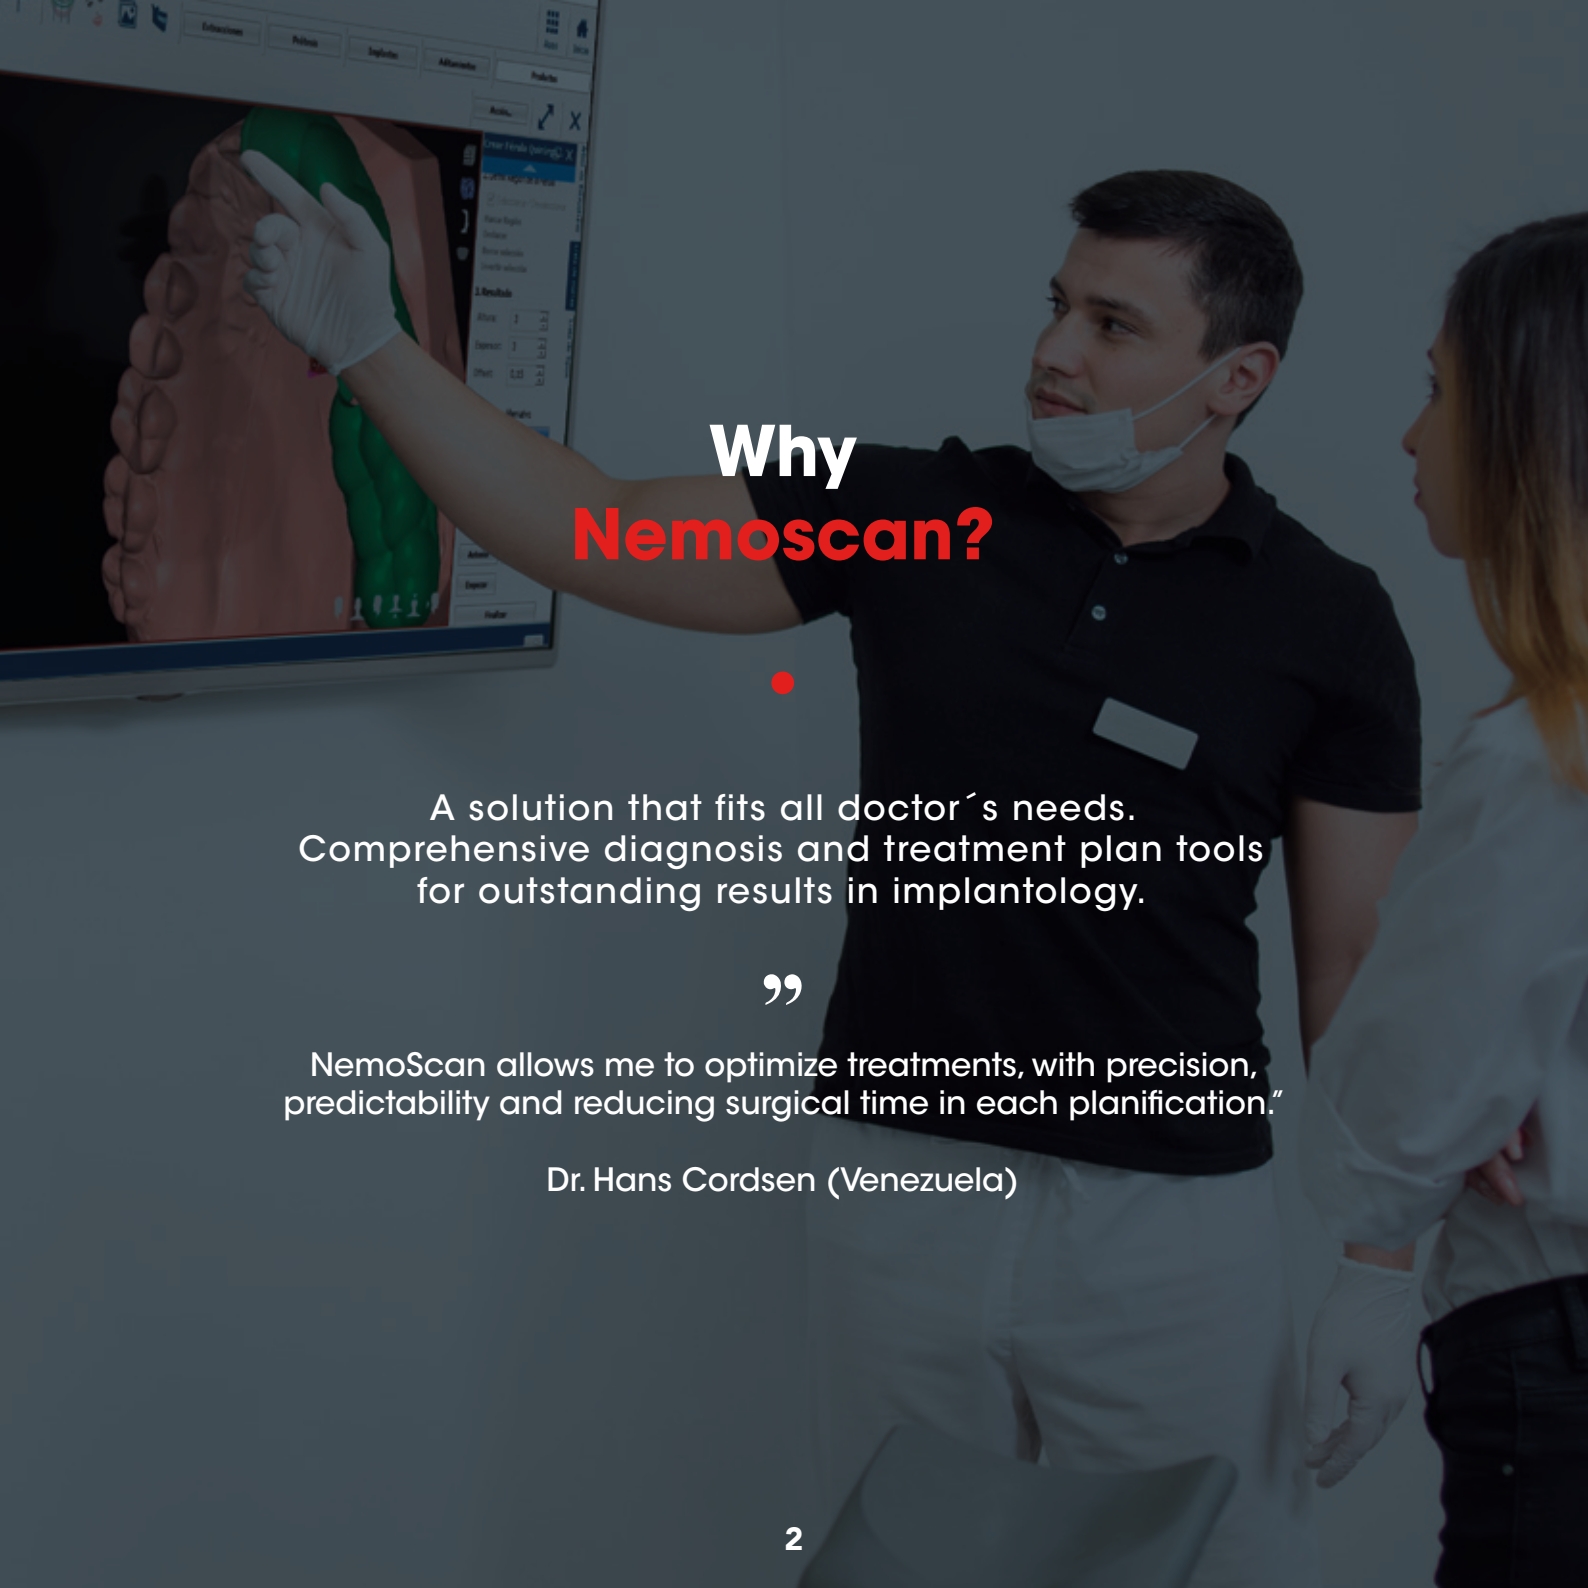

THE DIGITAL IMPLANTOLOGY WORKFLOW

Predictability
and efficiency in your surgeries

NEMOTEC
A BIOTECH DENTAL COMPANY

BIOTECH DENTAL

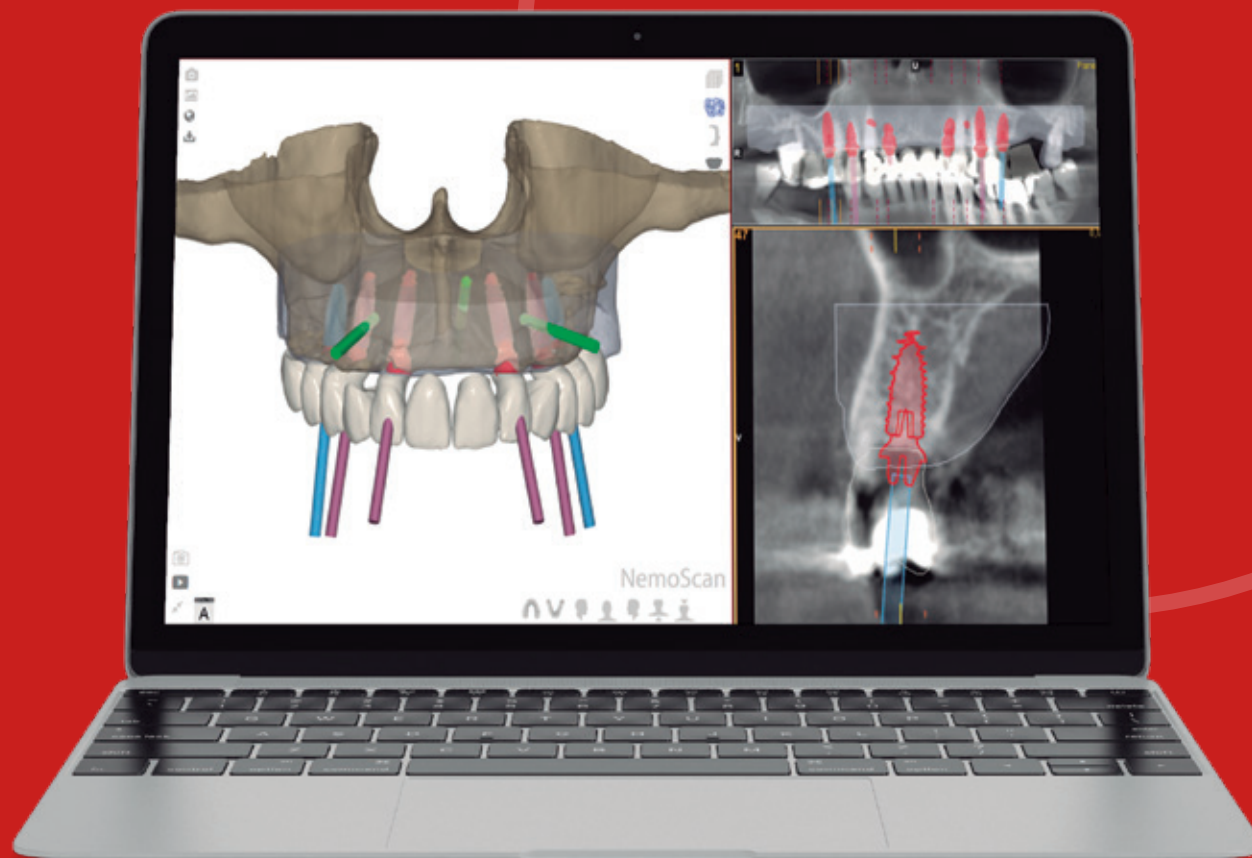

Why Nemoscan?

A solution that fits all doctor's needs.
Comprehensive diagnosis and treatment plan tools
for outstanding results in implantology.

”

NemoScan allows me to optimize treatments, with precision,
predictability and reducing surgical time in each planification.”

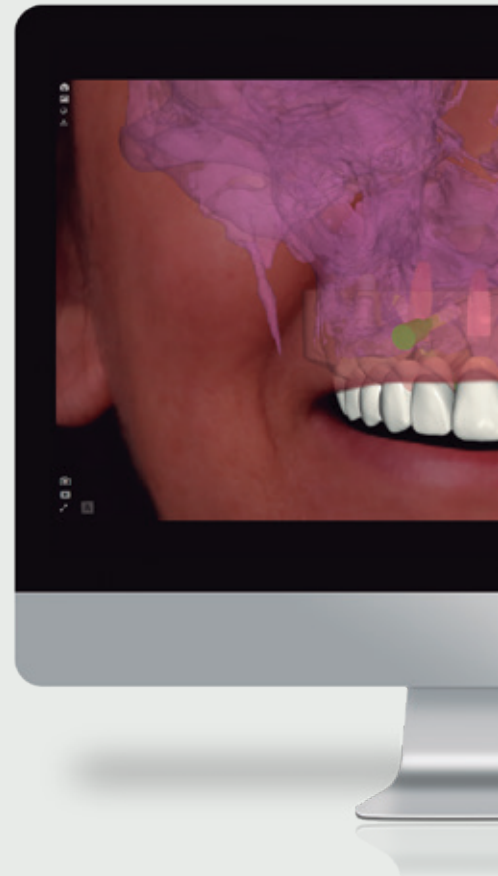

Dr. Hans Cordsen (Venezuela)

Benefits for doctors

- ▶ AI driven case preparation.
Save time and focus on diagnosis and treatment plan
- ▶ Plan any implant case, from a single or multiple implants to full edentulous
- ▶ Integration of 2D and 3D records
- ▶ Improve predictability on your treatments and increase patient's satisfaction

Benefits for patients

- ▶ Show your patients their treatment plan to earn their trust and acceptance
- ▶ Less invasive procedures meaning less pain and healing time
- ▶ Less visits to the clinic and reduced chair time

Top Features

COMPREHENSIVE PLANNING

Anatomical, prosthetic and gingival treatment plan considering overall clinical situations, including virtual extractions for immediate implants
